It Can Be Done Without Ironing and Without Great Amount of Trouble.

How to launder lingerle waists without ironing. There are many times, when traveling, that one would like to wash out lingerie blouses if facilities for ironing were possible. The following method may be employed, with most satisfactory results: Wash the waist in a good suds of white soap. Rinse well in hot water and then in cold water, which may be slightly blued with a bluing that comes in the form of a booklet from which leaves are torn to be dissolved in the water If desirable a bit of starch may be added to this water also. To dry, stretch carefully over a clean pillow. Fasten the waist at the belt

around the nillow. Stuff the fullness in front and also the sleeves with white tissue paper, smoothing the material out carefully. A piece of stiff paper the width and length of the colar should be fastened inside of it, with the lace stretched over it. The cuffs may be treated in the same way, If the waist is then placed in an open window it will dry quickly and have every appearance of having been care-
